

THE ELITE PROPERTY PRESENTATION GUIDE

The "Always Perfect" Checklist for a Flawless Sale

★ THE FIRST IMPRESSION: EXTERIOR & CURB APPEAL

- ☐ **The Handshake:** Polish all front door hardware (handle, kickplate, deadbolt).
- ☐ **The Threshold:** Sweep the porch and replace the welcome mat with a brand-new, neutral one.
- ☐ **Lighting:** Scrub exterior light fixtures to remove bugs/dust. Ensure "Warm White" bulbs are used.
- ☐ **The Edge:** Ensure a crisp, clean line between the lawn and the sidewalk/driveway.
- ☐ **Siding & Windows:** Power wash the driveway and the first-floor exterior windows.

★ THE HEART OF THE HOME: KITCHEN

- ☐ **Countertop Minimalist:** Remove everything except one high-end item (e.g., a bowl of lemons).
- ☐ **The "Meticulous" Pantry:** Organize items by category with labels facing forward. Leave 20% empty space.
- ☐ **Cabinet Internals:** Straighten stacks of plates and turn mug handles in the same direction.
- ☐ **The Sink:** Scrub the basin and polish the faucet with a dry cloth. Hide sponges and dish soap.
- ☐ **Appliance Glow:** Degrease the stove hood and polish all stainless steel surfaces.

★ THE LIFESTYLE: LIVING & FAMILY AREAS

- ☐ **Sightline Check:** Sit in every chair. Remove any clutter or dust visible only from a seated position.
- ☐ **The 60/40 Rule:** Style bookshelves with 60% books and 40% open space or decor.
- ☐ **Soft Goods:** Fluff all cushions and apply a "karate chop" to the center of throw pillows.
- ☐ **Tech Tidy:** Hide all remotes in a drawer and use zip-ties to hide wires behind the TV.

★ THE SPA EXPERIENCE: BATHROOMS

- ☐ **The White Towel Rule:** Display only fresh, plush, white towels folded in thirds.
- ☐ **Vanity Clearance:** Remove all personal items (toothbrushes, razors). Replace with one luxury hand soap.
- ☐ **Grout & Caulk:** Ensure all caulking is bright white; bleach or replace any discolored sections.
- ☐ **The Commode:** Ensure the lid is down and the toilet paper roll is full and folded to a point.

★ THE RETREAT: BEDROOMS & CLOSETS

- ☐ **Hotel Bedding:** Use a white or neutral duvet. Ensure corners are tucked tightly.
- ☐ **The 70% Closet:** Pack away 30% of your clothing to make the closet look larger.
- ☐ **Hanger Harmony:** Use matching wooden or velvet hangers, spaced exactly one inch apart.
- ☐ **Floor Exposure:** Remove all shoes and bins from the closet floor to show depth.

★ THE UTILITY: BASEMENT & LAUNDRY

- ☐ **The Mechanicals:** Dust the top of the furnace, water heater, and washer/dryer.
- ☐ **Odor Control:** Clean the rubber seal of the washing machine and run a dehumidifier.
- ☐ **Lighting:** Add high-wattage bulbs to dark corners to eliminate "dungeon" vibes.

■ THE "10-MINUTE DASH" (Before a Showing)

- ☐ **Lights On:** Turn on every single light, including lamps and under-cabinet lights.
- ☐ **Airflow:** Open all interior doors to make the floor plan feel 'open.'
- ☐ **Temperature:** Set the thermostat between 68°F and 72°F.
- ☐ **Trash Sweep:** Empty every trash can and take the bags to the exterior bin.
- ☐ **The Grab-Bag:** Put all 'daily life' items (pet bowls, mail, toys) in a basket and put it in your car.

Note:

A home that is "Always Perfect" tells the buyer that the home has been "Always Cared For." This attention to detail justifies a premium price and reduces friction during the buyer viewing.
